The children at Shining Lights Children's Home are enjoying their summer break and are also preparing for school to start. We just recently received some new pictures and wanted to share them with you as well.

Please continue to pray for the political stability of Ethiopia, the safety of the children, and escalating food costs. Recently two liberation groups have joined forces in Ethiopia. As a result of the increasing and continued conflict, food prices are still very high. Join us and many others around the world as we pray for peace in Ethiopia.

Thank you for your prayers and support,
The Shining Lights Ministry Board of Directors

Bianna Nelson

Board Chair
